**“MIND THE GAP”  
A WORKSHOP ON NEUROLOGICAL REHABILITATION  
OPPORTUNITIES IN THE EASTERN REGION:**

**MONDAY 9<sup>th</sup> JANUARY 2006**  
**SEMINAR ROOM 2 MEDICAL SCHOOL ADDENBROOKES HOSPITAL  
CAMBRIDGE**

Dear Colleague,

A Workshop is planned for **Monday 9<sup>th</sup> January 2006** at Seminar Room 2 at The Medical School Addenbrookes. The programme will commence at 11.30am with registration and lunch will be provided. The main programme is timed for completion at 4pm and following a short break, a meeting of the **Neurological Rehabilitation Project Stakeholder Group** is planned. Details of the main programme for this event are as follows

- **Introduction by Professor John Pickard.**
- **Current Neurological Rehabilitation Project: Sean Kavanagh Project Lead.**
- **Topic based Workshop “Mind The Gap” focusing on potential gaps in current provision of Neurological rehabilitation and care services across the Eastern Region.**
- **Feedback and discussion from Workshop.**
- **Close of session Professor Pickard.**

The workshop discussions will give an important opportunity for Clinicians, Health and Social Care colleagues, Commissioners and others to share concerns and exchange information and ideas on best practice in the Eastern Region.

**Confirmation of your attendance would be appreciated by email return if possible. Should you be unable to attend however, we would welcome attendance on your behalf by a nominated colleague.**

We look forward to meeting with you,

With best wishes,

Sean Kavanagh  
Project Lead
